**Subject: Reindeer Drive Phase 2 Water Line Replacement Project**

Dear Resident/Homeowner,

As part of DeKalb County's \$2.4 billion capital improvement program, the Department of Watershed Management (DWM) will be improving the capacity and service of the Watershed systems serving your community. The **Reindeer Drive Phase 2 Water Line Replacement Project** has been designed to improve the watershed system in your community.

This letter serves as formal notification that construction activities associated with this project will begin Monday, **October 3**. Normal construction hours will be from **8 a.m. to 5 p.m., Monday through Friday, excluding major holidays**. Property owners will be notified in advance of significant changes in scheduled work hours.

Please be advised to expect an **increase in construction-related noise and traffic during work hours**. Property owners will be notified **48 to 72 hours** prior to the start of impactful construction activities. Our construction crews will work diligently to minimize the length of impact to residents.

Crews will replace 17,400 linear feet (Shepherds Lane) and 15,800 linear feet (Woodland Hills) of crumbling water lines with new 8" and 12" ductile-iron water lines. ***The line repair project is expected to last approximately 14 months (October 2022 to December 2023), barring any weather delays.***

**GS Construction**, working on behalf of DeKalb County, is the authorized contractor for the **Reindeer Drive Phase 2 Water Line Replacement Project**. All workers will be wearing proper identification and driving marked vehicles.

Should you have any questions or concerns regarding the **Reindeer Drive Phase 2 Water Line Replacement Project**, please do not hesitate to contact the DWM Project Information line at 1-800-986-1108 or email [projectinfo@dekalbcountyga.gov](mailto:projectinfo@dekalbcountyga.gov).

We appreciate your patience as we work diligently to make improvements to DeKalb County's watershed system.
